Dr Gerald J Domingue posted:

I am saddened to know of the death of my good friend and brother-in-law, Dr. Glynn Hebert. He and I date back to our undergraduate days at Southwestern, presently ULL, Lafayette, and marrying two sisters in the late 1950s. I have fond memories of Glynn, his beautiful children and their mother, Pearl Rita Dugas Hebert. Glynn was a dedicated internal medicine physician who served Bogalusa and the surrounding communities for decades. My sincere condolences to all in his family. May Glynn rest in peace. My family and I shall miss our Uncle Glynn.

I was so saddened to hear of the passing of Uncle Glenn. I had not seen him in many years, only photos of him and his beautiful children and grandchildren. I have very fond memories of him from my childhood and young adolescent days when we would go with our parents to Bogalusa to visit him, Aunt Pearl and my cousins. To my dear cousins, Kim, Kerry, Kelly, Glenn and Kathy and your entire family, my sincere condolences. Just know that heaven now has another angel and that your Dad is resting peacefully in the arms of God. Love all of you.

Dr. Hebert's farm joins us off of Highway 436. He was a kind and caring individual. Just a few days ago, he called to check on my husband. He had heard that he was diagnosed with prostate cancer and was concerned about him. That is just the kind of person he was. Rest in peace, Dr. Hebert.
