Kyle, I'm so sorry to hear about the loss of your Dad. I'm sorry I didn't know him but judging by his son, I have no doubt he was one of the good guys. I hope in the days to come you can remember all the good times you shared with your father and all the love he gave you throughout the years. Praying for you and all those who loved him.

I have known Phil from his first days in the oilfield when he originally began with Odeco. Although we have not been in recent contact, I had the pleasure of calling Phil a friend and a customer since that time. I was deeply saddened to learn of his passing. Please know that I send my sincerest condolences to the family and Phil will continue be remembered in my prayers. May the loving hand of our Lord comfort you in the days ahead and may your memories of Phil help sustain you.
