To the Family of Mrs. Sherry Flynn Irvine, Sherry will be dearly missed. I met Sherry while we were tutors in the Bogalusa City School District, and we continued to be friends. Not only her, but her children and other family members as well. Sherry was a "Rare Jewel," always thinking of others first, making sure that whatever she could do for anyone, within her power to help, she did. Remember, time will pass, and the pain will lessen, but the memories she left behind, will always be treasured, by me, and everyone that knew her.
