Sue, My condolences to you, Wendell and Diane. I have so many happy memories of visiting with the Ogeese and Tootsie Richardson family and playing with Diane and well, maybe Wendell. I was a little shy of Vesey Jay because he was the "so much older" big brother. However I have seen him in more recent years and enjoyed chatting with him and you. My prayers are with you at this sad time.

I will forever treasure the memories of Vesey J. and Sue's visiting us on the IP Rehab Unit at STPH. Although he was a valued STPH Board member, he never requested any special considerations-- just wanting to know if we were OK. He and Sue were very loyal to their friends and consistently visited those who were hospitalized. Vesey j. displayed a real commitment to the community and to STPH specifically. We will so miss his visits and his stories about being in the service with Elvis Presley.
