This lady was so very very special to me. She will definitely be missed by so many people. She was such a prayer warrior. So easy to talk to and so easy to love. She fought a good battle and an Angel as entered the gates of heaven. She had a way about her if you were crying she could make you laugh and she certainly took time out to pray for you. So sad that she is gone but so wonderful to know she was a child of God. My love and prayers are with the family.
