So sorry for this families loss. Such a sweet sweet lady. She would come to our house and pick figs and sit and visit with my husband. Once she brought hot dogs with her and they sit on the porch and ate and visited together. She would make strawberry jam out of the figs and would bring him a jar. He loved them. He would also visit her at her home. They were good friends and he enjoyed their visits. May God bless each of you through all your precious memories of your sweet mom. Praying for all of you. Love you guys.
