Dr. Singleton was a freind to many, but an especially good friend to our family. He watched over my mother during her bout with cancer and my dad always said that "Chick" was his OB/GYN. He will be missed by all who knew him. We are very sorry for your loss. Patricia & Everett Watson

Dr. Chick was a REAL doctor because in addition he was always kind. If you saw him, other than in the office and spoke to him--he always had time to speak and perhaps stop long enough to pass a few words. He will be missed by many. Jo Bickham

I love Dr Singleton, and his family. I like most of the people I know was delivered by him, and he kind of remained in my life sense wether I was seeing him while visiting my sister at her job at the hospital, being friends with his grandson, or his daughter planning my daughters first birthday party. I am greatful to have had the chance to know such an amazing man so dedicated to service in his community
