Lois Faye and I were close friend growing up. We lost contact after growing up but thought of each other frequently . The last 6 months we talked to each other and resumed our lost time . I will miss those phone calls. She was very sick but we still enjoyed the calls. She was a good person and I feel sure she is with Sabe in Heaven. God Bless. Love, Nell

Lois Faye and I grew up together and were best friends. I live in Florida so did not get to see her much over the years. However the last 6 months we talked frequently and enjoyed talking about the past. I will miss her but I am sure she is in Heaven with Sabe and has no more pain. GOD BLESS. Love, Nell
