Cheryl Wascom posted:

So very sorry to hear about the passing of Barbara. She and I worked together at the Food Stamp Office in the early 80's. She used to make homemade bisquits and bring to her fellow clerical workers. We were so excited when we saw Barbara walking in the office with a tray of fresh homemade bisquits. We knew all about her children and their escapades and life milestones. Her children were everything to her. She will be missed by all.
