I always enjoyed being around Larry with his sweet smile and fun personality. We chatted a couple of months ago at jury duty, and he told me how happy he was, and how he enjoyed being a Grandpa. May God comfort you during this sad time.

I first met Larry in the 7th grade. He was in the band and played drums. He was a great drummer. I can remember looking out from our classroom and listening to them practice for the next big game. You could see the practice hall from our homeroom class. Larry will be missed. James Young
