Although I did not know Brandon, but worked with his mother and heard about him through a friend who worked with him at Cracker Barrel, I know he was a very uplifting and highly spirited person. Pleas know that I am keeping him and the family in my prayers and that once we reach Heaven, we understand why these things happen. May God's Angels accept him with open wings.

Wonderful memories of our trip to Europe ... He provided much love and laughter to all of us during our trek among people and places new to us. Will always treasure the time spent in the presence of one so filled with light and love. May you find comfort in the peace that only God can provide in times such as these ... and in the knowledge that we are eternal ... and we will meet again.
