Dear John: Wanted you to know how sorry I was to hear about your mother's passing. I have many fond memories of her from over forty years ago and she was an inspiration to me to go back to nursing school. We spent many nights talking about you and Phyllis when we worked together on night shift. You are in my prayers. Love Janene

Mrs. Penix was one of the sweetest ladies I have ever known. I worked for her dentist Dr. Claude D'Antonio, and she was one of my very favorite patients. Always smiling even when she had suffered a broken shoulder that took a very long time to heal. She had such a sweet spirit, always more concerned with the welfare of those close to her than for her own. John, you and your family are in my prayers.

John, I am so sorry to hear of your mother's passing. I did not read the daily news with her obituary until late that afternoon. Please accept my apology for not attending her funeral. I would have been there if I had known earlier.
