I rode in the ambulance with Carolyn the night she was hit in the throat with a baseball. Later when I had my younger daughter she came to see me. We developed a bond with each other from then on. I enjoyed working with her @ BCMC and considered her my friend. My prayers are with Eddie and her children. You have lost a very special person.

We always thought the world of Ms. Carolyn. She is the one that taught me(connie) the most about keeping a softball score book. :) We had some laughs, I will never forget how good she was to us.
