There are not enough words to express my condolences to each and everyone of the family - I pray that God will help carry all of you through what must be the most difficult times a parent/sister/child could ever endure. May God watch over each and everyone of you as you endure this most difficult task. May Melissa rest in peace! My love to all of the family.

Melissa was a good friend of my daughter Kassie. She was so upset when Kassie passed last July. I understand your pain and I will keep you in my prayers. Melissa was a sweet girl. She parked her car in my yard for the Mardi Gras parade. That was the last time I saw her but she greeted me with a big smile.
