My memories of Aunt Lucy Belle begin when I was a little child. My parents were Joe and Coreine Tucker. She was very kind to me when she was a teen & I- only very young. My last memory was when we attended a family reunion in the Bogalusa area. My own children were young. As a young girl, I thought she was very special and never forgot her - though we hardly saw each other through the years of life. So very to sorry to hear about her death. Libby Jo
