I grieve along with Nelda's family. Nelda and I have been friends since elementary school. Even though I haven't seen Nelda for years, I kept in touch with her by phone. On our last conversation, we talked for over 3 hours, just catching up again. I will surely miss my calls with her. Her family will surely be in my prayers. God Bless all of you. Carolyn

Nelda worked at First State with my mom, and she also lived across the street from us on Avenue I - many fond memories. She did her best to set up a blind date for me; but it failed to be a blind date; because she didn't know I was already dating the fellow - and then married.

It's always hard to find the proper words to say how sorry you are when you have lost a good friend. I went to school and worked with Nelda. It was a pleasure to call her my friend. She was one of the funniest friends I've ever had. Even though I haven't seen her in years since I moved to FL, I've never forgotten her. May God bless you and give you comfort and peace.

Nelda started off as a childhood friend and our friendship lasted all these years. How sad I was to find out one of my dear friends passed away. We shared so many good times. Lots of laughter and lots of mutual friends. Nelda was one of kind. She will be missed not only by me, but many people. I am sure they will remember her for her personality and the one person who had the neatest and best-cared hair in Bogalusa. I know that she is now with many of our mutual friends that have passed on before her. I am sure she is entertaining them and, again, they will have her sound of laughter.
