Cathy Scanlon Bond posted:

Will always love Wilma for how much she loved my own mom, her cousin. She was always so thoughtful, always laughing or smiling, and just so very sweet. She and my mom were very close and always teased each other about how much older Wilma was than my mom (7 months). I know they are in Heaven together now catching up on things and telling stories about all the crazy things they did growing up together! She will be missed here on earth.
