Aunt Julie will be missed. Spoke to her a few weeks ago and had a long talk. It was really wonderful. Dad (Earl) always spoke of his sister. When ever we visited alwsya loved to stay over at her house with all the other kids. I remember she would always want me to rub her feet. She would usually give me a quarter and I thought I was rich. We (Dad's kids) always said we need to get down to see her, but you know how things in the way. Now really regret that. Love you lots Aunt JulieTina and Phil Kersey

Mrs. parker. i just want to thank you for all you have done for me and my family. If it wasnt for you i wouldve dropped out of school and became a bad person. I never really told you how much you have changed my life. I was so happy to see you when i came home i asked you to come to texas with me and you said you wasnt feeling well enough to travel. You gave me more attention then my own blood grandmother. Even though i am black and you were white you never mentioned race you treated me with great respect. I know this isnt good bye this is only see you later. I love you mrs. parker and now you can be with johnny and mr. woodrow. they missed you. Jamie, grandma thought a lot of you and your family. She only spoke good of you and she thought of you as one of her own granddaughters. Thanks for all you did for her
