Donald and I met when he was very young and I lived at Varnado. My mom was in Rest Haven and he and I would visit when I came to see her. He could always tell me a lot of stories about neighbors, family, and friends. Was so enjoyable to laugh with him. May he rest in peace.

Donald was a great historian & very comical.He used to tell me stories about my uncle & my dad when they were young.He thought the world of them & my Grannie Ferne.I had a good relationship with him. He used to say "I can definately tell you have Fornea in you. "He always had a kind word to say to me.Reaffirming that I had made the right choice in my carreer.Gonna miss him.
