My life is so empty with you gone. You were a light, a true spirit of love, compassion, and self-less giving. I cannot remember a holiday season where our family and yours were not together. This holiday is void with your absence...not to mention that good dressing you used to make. All my love has no home without you. I will mourn you and your brown-eyed, quiet strength until my days are ended and we can laugh and eat all the dressing that eternal life offers. Your loving niece, Clydell

Dear Linda, Pam and Karen, We are so sorry for this tremendous loss of your precious Mother. There are no words to express the sadness in our hearts at losing Aunt Ann for she was always so sweet and special to us. Aunt Ann was always so kind, caring, and loving; she was so hospitable, making everyone feel so welcome in her home, taking care of us all as we grew up and spent summers there through years as we were kids growing up. She gave us love, security and we are left with so many wonderful memories of special times and will always miss her. Please know you all are in our thoughts and prayers. Our entire family--Gladys, Dale and family, Fran and I, extend our deepest sympathies and love to each of you. Love, Delos

We are sad to hear of Mrs. Ann's passing. She and Mr. Warren were wonderful friends of our Mother and Daddy, Lillen and Yankee Davis. May you find peace in knowing that your Mother was a great example of a fine Christain woman.

It was a terrible blow to hear that Aunt Ann had passed away. She always made us feel so welcomed and we dearly enjoying spending time with her, especially when Uncle Warren was alive. She was the greatest to us all. We are so glad that we had a short visit with her this past August. She will be missed so much! Our only confort is we know she has gone to be with the Lord and Uncle Warren again.
