Earl was a favorite patient of mine. He maintained a sense of humor until the end. He appreciated being greeted as a man with a firm handshake.

My favorite uncle, better yet, more like a 2nd father. Always there for his family no matter the time of day or night. Loving, caring, wise, and hardworking, my Uncle Earl was one of the best people you would ever meet. Aunt Lana, I love you very much. God certainly gave him an angel on earth when you 2 found one another. He could not hav asked for a better wife when he was healthy, nor could he have asked for a better caretaker when he got sick.
