Daddy, it has been 7 long days since I saw your peaceful face, I wish that every night or morning I wake up and can't sleep that I will figure out that I'm dreaming but I'm not. I know that you are standing up straight with no pain and I'm finding ease in my heart with that. You was always one of my best friends and one of the very best teachers a girl could want and without that me nor my kids would ever know to be who we are!!! And no matter how far away you are I'll always be your baby girl!!! No one can take what we had and the conversations we are still having!! I love you and will see you one day!!!!
