Elaine, Perry, Jo Ellen, L.C. and families, So sorry to hear of your mom's death. We go way back having lived across the street from each other on the corner of Jackson & Derbigney & just down the street from your grandmother, L.C.'s mom. The last time I saw her was some time ago when she stopped by to see Mamma after Mamma's stroke. She was the same talkative, laughing lady we had known as very young children. It left me with wonderful memories of that visit. I feel she & Mamma are "catching up on things now" and believe they are both in a better place. While we will miss them, let's remember the good times they had all through the years! My love goes out to your family and those few elderly folks left out where we grew up there in the Terrace.
