Mom, you were like a beautiful rose blooming in the snow. Your love and beauty shined through even in the most difficult times. I am thinking of the wonderful reunion you must be having now in Heaven with dad, your mom, your sisters and brothers and all the loved ones who went before you. I love and miss you and will see you again one day when we're all gathered together in the Lord. p.s. I won't forget to dig the hole and put the water in first before moving a rooted rose. I love you always.

To Debbie, Joe, Rachel and Becky: I am so sorry for your loss. Aunt Bernice was such a sweet lady. I can remember the days when me and my family would take a ride to Bogalusa to visit and we'd all play together. Take care of yourselves, I will be praying for all of you. Love, your cousin Mary.

To all of my dear cousins, I am so sorry for your loss. It's heartbreaking. All of you are in my thoughts and prayers. My favorite thing to remember about your mom is that I can't ever remember seeing her mad or being unpleasant. She always had a smile on her face and open arms for a big hug. I am so thankful to have been able to spend a little time with her recently and talk to her on the phone. May God be with all of you and keep you strong and may she rest in peace. Love you. Lucille
