We are so sorry to hear of Carol's death. She was one of those bright candles that shone above the rest. She was a wonderful person who brightened everyone's day. We knew her best as the mayor's secretary during C. P. Verger's administration. She was a staunch friend and supporter, a person who spoke her mind and thankfully we were on the same wavelink. We wish the family our deepest sympathy. May the Peace of Christ be with you in this time of sorrow.

Lisa and Eric, I am so sorry about your mother. She was such a sweet lady and love seeing her when I worked at the bank with your Dad. You are in my thoughts and prayers.

Carol and I - both teenagers at the time - worked together at the Washington Parish Welfare Department in 1955. She was a beautiful person and a lovely friend.
