I remember visiting Aunt Janice and her family when they lived in Virginia. We had a great time and celebrated my sister Emily's birthday there. I always loved seeing all of the exotic furniture and items the family collected from their military years of travel. And I remember the beautiful gathering at her and Uncle GC's home for our Grandparents 50th wedding Anniversary. And all of the great food she canned. And most recently the party and tribute for her 80th birthday. All the Pierce girls made marriages that lasted their lifetimes. That takes committment and is a most admirable testimony. We pray she is together with Uncle GC and will never again have to pretend he is "just in the next room".My Mother, Glenna Faye Pierce Randazzo and my Dad, Randy, and my sisters Emily, Susan and her family all wish to express deepest sympathy to Bill and Eva and their families. Aunt Janice will be greatly missed. Love to you All. May God embrace you in the Peace only he can offer in your time of Sorrow.
