My heart goes out to you. So sorry I did not get to say goodbye to Aunt Waver. Donna was supposed to let me know when the services were. My favorite memory of Aunt waver was watching her roll out and make biscuits in the cafe. The thing I loved most about her is how she always stood by my mother through thick and thin. Even when she was chewing us girls out for not helping mama after Daddy left us. She was a feisty, hard working woman with a big heart. And I so loved, admired and respected her. Tyrona
