His mom was my step grandfather Berkeley Breland's sister I always felt loved by the family. Winston treated my brother and I like nephews. Prayers and sorry for the family loss. Thankful that Uncle Rod and Billy were able to have lunch with him. My heart breaks that I was ill and could not make it.

Thank you Mr. Alton. You are one of the best friends Daddy ever had. He thought highly of you and Mrs Nancy. Y'all had a lot in common. Keeps, rescuing dogs, fishing and good eating.

Mrs. Noni So sorry for your loss. I also lost one of My best friends. My loss is very small compared to You having lost your Husband. I will miss Him also. Try and stay strong through this grieving period. Then try and find happiness in your life, I know that Winston would want that for You. Sorry, Sharon and I can't be at the funeral because of medical reasons. Can't travel for a few more days. Loy and Sharon Wright.
