**Melanie, Emmett And Staff** posted:

Mr. Ted came to be a fixture at the Bogalusa Library. He was frequently using the computer to do legal research to help someone or running to New Orleans to help with someone's legal issues. He loved to fuss and complain and he fondly became our "resident grouch," but he was really a sweet Teddy Bear and we all loved him a great deal. The library won't be the same without you, Mr. Ted. May you rest in peace in the lap of God for all the good you did for so many people.
