Dr. Lisa Burrell lit a candle in honor of Emma.

I remember going to school with Emma Jean. She was always such an outspoken person. You never had to wonder what was on her mind. When I visited after moving away, she would call me by my full name if she saw me first, and I had to laugh, because she was one of about three people that did that regularly. Prayers and positive thoughts to the family. Rest In Peace Emma Jean, Rest in Peace.
