PawPaw was the BEST man I have ever known😭!!! He always treated me like family!!! My best memory with him is bringing Chris and Kylah down there everyday and when he saw them his face would light up!!! He called Chris "Goat" & Kylah his little mean girl!!! Lol He would sit on the swing with them as Kylah asked him a million questions!!! My heart is hurting for the whole family😭 We miss you PawPaw & LOVE You So VERY Much!!!

I remeber the fresh smell of dirt as a little girl as he plowed the fields by the house to grow his gardens. He was very quite at times but he loved his family. We spent many days cutting firewood and digging up peanuts. Kevin and I got in trouble quite often but he would wink and smile at us behind mawmaws back. Miss those days. Love you pawpaw.

Lisa and Terry, David and I are so so sorry. The loss of a parent is so hard. Please let us know if there is anything we can do to help. Our hearts and prayers are with you and your family during this heartbreaking time. Just remember he is with your mom now and no longer suffering.
