Mr. John Wilson Helton

SEP 27, 1964 - JUL 1, 2020

John Wilson Helton, 55, passed away on July 1, 2020. He was the son of Wendell and Marie Helton. John was the father of Woody Helton and Harley Jean Helton. He was most proud of his two children and loved nothing more than his family. Although he dedicated a majority of his time towards helping others, he also enjoyed fishing and being outdoors. His contagious smile and sense of humor will be remembered and missed. John was a hard working son, father, and best friend to many.

I am really sad to hear about Johnny. My first memories of him are on the bus with his trumpet case as we were kids. And then as a family man and an excellent mechanic as we grew up. My sympathies go out to his family and friends. I ran into Johnny a few months ago and I am glad I had the chance to catch up with him one last time, He will be missed by so many.

Our daughter, Carlie was best friends with Harley growing up and spent so much time with the family. She was treated like another daughter by John. We never worried about her because we knew she was in good hands. We became good friends with John and loved hanging out at their house. He was such a fun loving, live life to the fullest, amazing man and a wonderful father to Woody and Harley and to his third daughter Carlie (aka "20"). As the kids grew up we saw less of each other, but when we would run into each other John always wanted to know how everyone was doing and to brag on his babies. He was so proud of his kids. His smile and laugh was infectious and you couldn't help but gravitate to his positive energy. I am so glad that we got to know John and his family and how my daughter has so many wonderful childhood memories that include the Heltons. I am so sad and my heart is broken for Woody and Harley and the rest of the family, but I do know that John gave them a good foundation and taught them how to be great people and a piece of him will live on forever in Woody and Harley. I know he will be watching over them and still cheering them on. Woody and Harley you will be in our thoughts and prayers. Chris & Erin Gonzales

I went to school in Covington with John. Most of my memories were as a child and teenager. He was funny and one of my childhood friends. I just ran into him this past year at Covington Garage and briefly caught up. I recognized him immediately after more than 40 years. It was great to see him again, and though we were no longer children, it didn't seem like that long ago. He told me about his family and his life up until that point. I am so sorry for your loss of John. One thing is for certain, you have many more wonderful memories of your time together than I had with him as a child and I wouldn't trade any of those for anything. God bless. Patrick Fulton

John was always quick with a hug, smile and laugh whenever I saw him. He was kind and generous to me, Kevin, Ian and Megan and I am forever grateful for his good nature, enthusiasm for life and compassion for others. We are grateful that he touched our lives, even for too short a time. As John's good heart will be deeply missed and his departure from this world will bring grief for his family and friends, we share our heartfelt thoughts and prayers with all. All my love and prayers to you: Harley, Woody, Wendell and MarieRebecca
