We all knew and loved her as our “Memaw.” Jackie was a devoted mother and grandmother. She had many family and friend she loved and cared about deeply. Jackie’s passions were gardening and doing puzzles in her free time when she was not with family and friends. Her favorite animal was a green tree frog as we all knew with her house covered in them and her favorite eye shadow she would always wear when she would get dressed up, it would be a bright green that we all loved. She will be deeply missed and as she would tell us “I am not leaving you.. I am just going home.” She is loved by so many we will live on by all the memories we share and cherish together.
