Sgt Kinchen was such a wonderful and reliable military man and friend. He brought so much joy and passion to his work, especially training cadets and the future of our military. He always made sure to check on his friends who were struggling with the effects of war. He always gave me crap for being a diehard Bama fan and didn't even rub it in when LSU took the title in 2019. He will forever be missed by his Camp Shelby crew! Capt Shauny Mac
