I remember when me and my two cousins were sleeping over at her house we would camp in her closet because it's so big. We always did every night I spent there and we would tell scary stories with a flashlight in our faces trying to be scary

I remember you and your cousins sleeping in the closet and having a lot of fun. Vivian and I were always happy that our grand kids, our nieces and nephews enjoyed staying at our house.

What a sweet lady! I remember Mrs. Vivian, from the past Christmases with my brother Gordon and family. She truly was like part of the family. Seems like she always had a smile on her face, making you smile too. She blessed my daddy with her homemade coconut pies..his favorite! She will be greatly missed.
