David Knight posted:

Diane was one of the most industrious, hardworking, respectful, and helpful persons I have ever known. If it was in her power to help you, Diane helped, if she could be of service, Diane served. Wholly dedicated to her family, friends and peers, Diane will be sorely missed by all those who knew, loved, and respected her. Godspeed, Diane, and thank you for the example of your life. God bless those who love and will miss her.
