I am so saddened to here of the passing of this extraordinary woman. What a loss for everyone that knew Sara. She was such a bright light on the Milne campus. All the residents loved her! She truly cared for each and every one of these special needs residents and they blossomed in her care. I wish all the caregivers were like Sara. She will be sorely missed! Sara, May you rest in heavenly peace and the angels watch over your son Steven.

I can't even begin to choose just one memory to share, there are too many. I struggle with the words to even share this comment because words seem so inadequate when talking about you. It's more of a feeling I had just being around you. If you got to experience that feeling with her then you know what I'm speaking of. I was so lucky to be loved by her. Love you always, Jeana.
