Born on April 18, 1947, Bonnie was a cherished member of her community, a devoted mother, and a talented draftsman whose career spanned over four decades.

A proud graduate of Covington High School and a passionate learner, Bonnie honed her skills at Northshore Technical College, where she completed her training as a draftsman. We worked together at JV Burkes. I can't think of anything specific to mention. She always had a sweet spirit, was diligent at her work and enjoyed her cigarettes (me too at that time). It was a bad time for business and they downsized but I still got to see her on FB and see how much she enjoyed her family. My condolences and prayers go out to you all. RIP Dawn Christiansen
