I'm a retired UPS driver. I used to run Emmitt's, OI Dammit as Mr Gary used to call him, route a lot. I delivered to haire elect often. Mr Gary was always a super nice guy, with an unmistakable voice. I was at the fish house at Sheridan one night and heard someone talking, and instantly knew who it was. I hadn't seen him in a while, but he remembered me, and we got to talk for a few minutes that night. He was still that same old super nice guy. I pray that God helps his family deal with his loss. And I hope when it's my turn, people remember me as fondly as I remember him.
