# Mr. Scott Edward Freeman

NOV 20, 1971 - MAR 10, 2026

**S**cott Edward Freeman, 54, of Bogalusa, Louisiana, passed away peacefully on March 10, 2026, surrounded by his loving family.

Scott was born on November 20, 1971, in Bogalusa, Louisiana, to Edward and Mildred Freeman. He spent most of his life working as a residential contractor and was known for his strong work ethic, dependable nature, and willingness to help anyone in need. Scott took pride in his work and in providing for those he loved.

In his free time, he enjoyed fishing, working around the house, and spending time with his family and friends. Those who knew Scott knew that his heart was always with the people he loved most. His family meant everything to him, and he cherished every moment spent with them.

Scott is survived by his mother, Mildred Freeman; his sister and brother-in-law, Melissa and Bart Pierce; his daughter, Khristian Skyla Stoker; and his beloved grandchildren, Bentley, Royce, Amari, and Alyvia, who brought great joy to his life. He is also survived by his daughterly-niece, Emileigh Applewhite; his nephew, Kainon Murray; his niece, Ella Perry; and a very special friend, Connie Meyers.

He was preceded in death by his father, Edward Freeman; his brother and sister-in-law, Jeffrey and Emily Freeman; his niece, Brooke Applewhite; and his grandparents, Ace and Molly Freeman and Willis "Buster" and Myrtle Jarrell.

A visitation will be held on Tuesday, March 17, at Brown-McGehee Funeral Home in Bogalusa, Louisiana. Visitation for family will begin at 10:00 AM, with friends welcome from 11:00 AM until 1:00 PM. Funeral service will start at 1:00PM.

The world feels a little quieter without him, but the love he gave, the lessons he taught, and the memories he created will remain in our hearts forever.

It's hard to pick just 1... me,scott & Jeff shonuff ruffled some feathers back in the days... but the 1st time the 3 of us met then found out we were cousins kinda stands out because I spent the weekend with them and went crabbing... we were out on lake ponchatrain jumping the upright concrete pilings going from one to the next one & Jeff busted his butt and hit the water... I still don't know how he didn't get mangled in the concrete and rebar in the water below... we found a crab pot that had 1 of the biggest blue crabs > had end saw... i grabbed him and he pinched the fire out of me so threw him down he hit the water scott lunged after him and he caught him or the crab got him rather ... that big rascal like to have removed Scott's index finger before we could get him to let go... it was hard enough without us laughing at him sitting there screaming like a little girl... it was a good time... then all the nights we hid beer behind magic movies inside that little yard that was fenced off with tin... until bpd rolled up on us during what turned out to be our the last night doing that. Because we shot over the fence and I hit just right with my hands when I pushed myself up and over I damn near cut my thumb off with the top of the tin fence... times were painful but always good.
