I'll never forget Danny. He was a good Task Force officer and always had something going. He had some good informers. When he wore his White shoes, I thought he was the bravest man in the world. Danny had a heart of Gold and was patient with others not a bright as he was. Our Sgt., T.T. Fenley respected Danny and asked about him about a week before he passed. I didn't have any contact information, but I did try to locate his number, but never did. I wanted to inform Danny about T.T. being sick and was in a Hospice care. My deepest condolences to Danny's family. I wish I had known where he lived, since we drove through Louisiana several times in 2020, 2021, 2022, 2023 and 2024. Last I heard he was in Bogalusa, working as a Police Officer. I would have loved to visit with him. He was my friend. Artur Trevino Ret. SAPD Task Force
