“ So sorry for your loss. You know we don't see people very often, but they certainly are not forgotten. Have fond memories of when we were neighbors on Elm Drive.

“ I sat with Ms. Hayman for 6 months, and she grew to become close to my heart. I broke my heart when I had to leave, but killed me to find out she had passed. I'll always remember her sweet smile and the memories we had together. Thank you for the time you gave me to spend with her.
